

Clean-N-Seal

Technical Data

Product Description:

A water-based formulation that safely and effectively cleans, while maintaining the sealed surface. When used regularly, it will preserve the sealing properties achieved with the original application of all the **Brightstone Sealers**.

Uses:

For cleaning and preserving the seal of marble, granite, limestone, travertine, terrazzo, slate, as well as clay tile, concrete and grout.

Application:

Apply as a spray and spread with a sponge. Agitate on surface, then wipe dry.

Coverage:

Coverage depends on the type of stone and method of cleaning.

Expected Wear:

N/A

Recommendation:

Always seal natural stone to prevent stains. For stain protection, use **Brightstone Sealers**.

Limitations:

Clean-N-Seal is **not** a substitute for sealing natural stone. It is a seal preserver.

Handling and Storage:

Store closed container in a cool dry area.

Caution:

KEEP OUT OF REACH OF CHILDREN
If swallowed: Do not induce vomiting; drink large quantities of water.

Important Notice:

Liability is limited to refund of the purchase price since application of the product is beyond the control of the manufacturer or supplier.
